Squamish, BC V0N 3G0

Dear Mr. McLane:

Squamish Access Society Name Change

At the Regular Business Meeting held February 6, 2007, Council of the District of Squamish passed the following motion:

"THAT the Squamish Access Society be acknowledged as representing the rock climbing community and be invited to provide advice to Council on matters of policy regarding rock climbing and mountaineering issues as they may affect the District of Squamish."

We look forward to hearing from the Squamish Access Group on all matters of policy regarding rock climbing and mountaineering issues.

Yours truly,
